

tesa® 53123 PV18

Product Information

General Purpose Masking Tape

Product Description

tesa® 53123 is a cremed colored universal use paper masking tape suited for various non-critical applications. It is frequently used for masking indoors, light duty spray painting, bundling, fixation, packaging and label.

Features & Benefits:

- Tear resistant backing provides demasking in one piece
- Excellent adherence of paints and fillers
- Good peel adhesion provides secure bond on different substrates
- Residue free removal up to 3 days indoor
- Temperature resistance up to 60°C /1 h and 80°C / 0,5h
- Consistent tesa Quality

Applications

Suitable for all non-critical general purpose masking, bundling, packaging and carton sealing applications.

Technical Information (average values)

The values in this section should be considered representative or typical only and should not be used for specification purposes.

Applications

•	Backing	slightly-creped paper	•	Total thickness	135 µm

• Type of adhesive natural rubber

Properties/Performance Values

•	Elongation at break	10 %	 Easy to remove 	ves
---	---------------------	------	------------------------------------	-----

Tensile strength
 27 N/cm
 Hand tearability
 very good

Adhesion to Values

Steel
 2.6 N/cm
