- 6.1. Delivery shall take place when:
- 6.1.1. if the Goods are delivered to the Delivery Address, at such time that the Buyer or its agent commences the unloading process;
- 6.1.2. if the Buyer collects the Goods from tesa's premises, when the Goods are loaded by tesa on to the collection vehicle provided by the Buyer or its agent.
- 6.2. Any delivery dates and delivery periods quoted for delivery of the Goods are approximate only and tesa shall not be liable for any delay in delivery of the Goods however caused. Time for delivery shall not be of the essence.
- 6.3. tesa shall ensure that:
- 6.3.1. each delivery of the Goods is accompanied by a delivery note that shows the date of the Order, the Order number, the type and quantity of the Goods (including the code number of the Goods, where applicable), special storage instructions (if any) and, if the Goods are being delivered by instalments, the outstanding balance of Goods remaining to be delivered; and
- 6.3.2. if tesa requires the Buyer to return any packaging materials to tesa, that fact is clearly stated on the delivery note. The Buyer shall make any such packaging materials available for collection at such times as tesa shall reasonably request. Returns of packaging materials shall be at tesa's expense.
- 6.4. If the Buyer fails to take delivery of the Goods or fails to give tesa adequate delivery instructions at the time stated for delivery (otherwise than by reason of tesa's fault), tesa may:-
- 6.4.1. either effect delivery by whatever means it thinks most appropriate or arrange storage at the Buyer's risk and expense pending delivery; or
- 6.4.2. at any time re-sell or otherwise dispose of the Goods or part of them without prejudice to any other rights tesa may have against the Buyer for breach of contract or otherwise.

- 6.6. tesa shall be entitled to deliver the Goods by instalments and in such case each instalment shall constitute a separate contract and any failure or defect in delivery of any one or more instalment shall not entitle the Buyer to repudiate the contract as a whole nor to cancel any subsequent instalment. The Buyer shall not be entitled to reject the Goods or part thereof by reason only of short delivery.
- 6.7. Whilst tesa will use its reasonable endeavours to deliver the exact quantity of Goods ordered by the Buyer, tesa reserves the right to deviate by up to ten per cent plus or minus in respect of quantities ordered and delivered.
- 6.8. If tesa fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Buyer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods.
- 6.9. Where the Buyer collects or arranges collection of the Goods from tesa's premises, entry of any vehicle of the Buyer or its agent on to tesa's premises shall be at the sole risk of the Buyer or its agent save to the extent that any claim arises from tesa's negligence resulting in personal injury or death.

- 6.10. Whilst tesa will use its reasonable endeavours to ensure that the Goods correspond in every material respect with any sample provided to the Buyer, tesa shall not be responsible for any minor deviations in Specification, in colour, or other design features and no such minor variations shall entitle the Buyer to rescind the Contract or to claim against tesa in respect thereof.
- 6.11. Disruptions in the production and/or transport of the Goods due to a Force Majeure Event for which tesa is not responsible and which temporarily make it impossible or considerably more difficult for tesa to fulfil its delivery obligation, shall release tesa for their duration from its duty to make timely delivery of goods or services. The negotiated period shall be extended by the duration of the incident; the Buyer shall be informed in an appropriate manner of the occurrence and end of the disruption. Tesa is not obliged to procure replacement goods from third parties. Where the end of the problem is not foreseeable or the problem continues for more than two months, each party is entitled to rescind the contract with respect to the scope of delivery affected by the problem.

- 7.2. The price payable by the Buyer for an Order of Bespoke Goods shall be the price set out in the Order Acknowledgement Form.
- 7.3. The price payable by the Buyer for each Order of the Goods shall be the price set out in the Order Acknowledgement Form.
- 7.4. The Buyer shall in addition to the price of the Goods pay (i) all excess carriage costs (standard carriage costs being included in the price) (ii) the amount of Value Added Tax payable in respect of the supply of the Goods; and (iii) all other duties, charges and taxes (if any) on the Goods.
- 7.5. Tesa may, by giving notice to the Buyer at any time before delivery, increase the price of the Goods to reflect any increase in the cost to tesa which is due to any factor beyond the reasonable control of tesa (such as, without limitation, any foreign exchange fluctuation or significant increase in the costs of labour, materials or other costs of manufacture including utilities), any change in delivery dates, quantities or Specifications for the Goods which is requested by the Buyer, or any delay caused by the failure of the Buyer to give tesa adequate information or instructions.
- 7.6. tesa may invoice the Buyer for the Goods on or at any time after the completion of delivery or if to be collected by the Buyer, the date the Goods are ready for collection. Payment shall be due on the fifteenth day of the month following that in which the Goods were invoiced. All payments shall be made in sterling to tesa by bank transfer (BACs) to the bank account set out in tesa's invoice and time of payment shall be of the essence of the Contract.
- 7.7. tesa may invoice the Buyer for Bespoke Goods at any time before the Goods are manufactured. Payment shall be due on presentation of the invoice. All payments shall be made in sterling to tesa by bank transfer (BACs) to the bank account set out in tesa's invoice and time of payment shall be of the essence of the Contract. If the Buyer fails to make a payment due to tesa under the Contract for Bespoke Goods by the due date, then, delivery of the Bespoke Goods may be delayed as the delivery of Bespoke Goods will not occur until the invoice for the Bespoke Goods has been paid in full and in cleared funds to a bank account nominated in writing by tesa.
- 7.8. Without prejudice to any other rights or remedies of tesa, if the Buyer fails to make any payment on the due date specified in the invoice, all and any sums payable to tesa shall automatically become due and tesa may (i) terminate the Contract; or (ii) suspend deliveries under this Contract or any other contract so long as the nonpayment continues; and/or (iii) revoke any credit facilities made

7.9. No payments due to tesa may be withheld by the Buyer for any reason nor may any counterclaim of the Buyer be set off against any payment due under the Contract without the prior consent in writing of a director or other duly authorised signatory of tesa.

7.10. Any extension of credit allowed to the Buyer may be changed or withdrawn by tesa at any time.

7.11. If tesa, after conclusion of the Contract, becomes aware of the risk, or likely risk, of a lack of ability to make payment on the part of the Buyer, tesa shall be entitled to execute outstanding deliveries only against prepayment or another payment guarantee. If the prepayments or other payment guarantees are not provided even upon the expiration of a reasonable period of grace, tesa may cease deliveries until the prepayments or the payment bonds are provided or may rescind individual or all affected contracts in full or in part. In such case tesa shall remain entitled to assert further rights.

8. Title and Risk

8.1. The Goods shall remain the sole and absolute property of tesa as legal and equitable owner thereof and title of the Goods shall not pass to the Buyer until such time as payment in full has been received by tesa for the Goods together with any interest payable under Clause 7.8 and any other sum payable in respect of the Goods under the Contract.

8.2. Until such time as the title in the Goods passes to the Buyer, the Buyer shall hold the Goods solely as fiduciary agent and bailee for tesa and shall keep the Goods separate from those of the Buyer and third parties and properly stored, protected and insured and identified as tesa's property, but shall be entitled to use or resell the Goods in the ordinary course of its business and pass the title therein to its customers unless and until otherwise notified in writing by a director or other duly authorised signatory of tesa or until the happening of any of the events referred to in Clauses 12.1.1 to 12.1.4.

Please note: The quality of the tesa® products is tested on a continuous basis at the highest possible level and is thus subject to strict controls. All information and recommendations are given by us to our best knowledge based on our practical experience. Nevertheless, tesa does not assume any express or implied warranty for the suitability of a tesa® product for certain purposes that have not been expressly agreed between tesa and the Buyer in writing. For this reason, the Buyer is responsible for the decision on whether a tesa® product is suitable for a certain purpose and for the Buyer's type of use, provided the product complies with the properties, features and performance characteristics that have been specifically agreed. Should you require assistance in this regard, our technical staff would be happy to advise you.
