

tesa® Powerstrips Waterproof Large

Product Information

BNR 59700, 59774

Product Description

tesa Powerstrips Waterproof are large self-adhesive mounting strips made for the removable wall fixation of objects weighing up to 2 kg.

Product Features

- Especially developed to fix objects in wet areas (e.g. shower, bathtub, etc.)
- Maximum hold of up to 2 kg on smooth surfaces
- Removable without a trace due to the Powerstrips® Waterproof technology
- Maximum hold of up to 2 kg on smooth surfaces
- Strong hold for objects on surfaces like tiles, glass, etc.*
- Suitable for the whole Powerstrips Waterproof accessory range

*Not suitable for use on styrofoam, foamed material, surfaces with non-stick coating, porous material

Application Fields

- How to apply - step by step guide:
1. Clean the surface with alcohol or silicone-free glass cleaner
 2. Take the included waterproof primer tissue and wipe over the surface for bonding preparation - wait for 10 seconds minimum
 3. Apply the Powerstrip Waterproof Large strip on the object - press for 5 seconds minimum
 4. Fix object onto surface - press for 5 seconds minimum
 5. Make sure the tab can be accessed for removal
