

# 51445 PV11

Repulpable single-sided splicing tape

# **Product Description**

tesa<sup>®</sup> CaRes 51445 is a single-sided repulpable splicing tape with a liner consisting of a flat-back paper and a modified water soluble acrylic adhesive.

# **Product Features**

- The patented calcium resistant adhesive (CaRes) for a maximised life time of permanent splices on papers containing calcium carbonate (CaCO3)
- Thin but strong backing to allow a low total splice thickness
- Printable and coatable backing for easy further processing
- Very high shear strength
- Very high heat resistance
- Very good adhesion values on most paper grades
- tesa CaRes<sup>®</sup> 51445 is certified by independent laboratories for: Repulpability according to TAPPI UM-213 over full pHrange (pH3 – pH9). Resistance against calcium carbonate (CaCO3) according to PTS 302/13
- Paper from well-managed certified forests and other controlled sources

# **Application Fields**

tesa® CaRes 51445 is particularly suitable for:

- Manual permanent butt-splicing
- Use in automatic butt-splice applicators

# Technical Information (average values)

The values in this section should be considered representative or typical only and should not be used for specification purposes.

# **Product Construction**

Backing	flat paper	Total thickness	80 µm
Type of adhesive	repulpable tackified acrylic	Color	blue
Type of liner	repulpable siliconised paper		

#### **Properties/Performance Values**

٠	Elongation at break	6 %	•	Tack	medium
٠	Shelf life time (packed) < 25°C	12 months	•	Tensile strength (crosswise)	30 N/cm
٠	Static shear resistance	very good			

# 51445 PV11

# **Product Information**

# **Additional Information**

Other products for butt-splicing:

- tesa® 51444 reduced thickness for thinner splices
- tesa® 51455 slit liner for easier manual splice application
- tesa® 51465 slit liner and splitting strip for secure tape fixation during the manual splice preparation
- tesa® 61445 black backing for optical detection

# Disclaimer

tesa<sup>®</sup> products prove their impressive quality day in, day out in demanding conditions and are regularly subjected to strict controls.
