tesa® Professional 60042 Adhesive Remover

Product Information

Adhesive remover spray for the easy removal of glue residues

Product Description

tesa® Adhesive Remover Spray is a practical solution for removing residues from adhesive tapes, labels, price tags and glues, including super glue. The silicone-free spray reaches concealed and hard-to-access areas, works on many plastic, glass and metal surfaces, and evaporates without leaving residues. Simply spray it on the surface, wait for 5 minutes and wipe off any glue residues with a piece of cloth.

Product Features

- Reliably removes residues from most adhesive tapes, glues and labels
- Also suitable for removing super glue residues
- For many plastic, glass and metal surfaces
- Spray reaches concealed and hard-to-access areas
- Silicone-free formula
- Evaporates without leaving residues
