

# tesa<sup>®</sup> extra Power

## Product Information

BNR 56064

## Technical Information (average values)

The values in this section should be considered representative or typical only and should not be used for specification purposes.

### Product Construction

- |            |          |                   |        |
|------------|----------|-------------------|--------|
| • Supporto | Silicone | • Total thickness | 500 µm |
|------------|----------|-------------------|--------|

### Proprietà/Valori di prestazione

- |                                      |                    |                           |       |
|--------------------------------------|--------------------|---------------------------|-------|
| • Tensile strength                   | 33 N/cm            | • Privo di solventi       | yes   |
| • Adesività                          | Very high adhesion | • Resistente agli strappi | yes   |
| • Ageing resistance (UV)             | yes                | • Temperature resistance  | yes   |
| • Hand tearability                   | no                 | • Tensione                | 750 % |
| • Humidity resistance                | yes                | • Resistente ai raggi UV  | yes   |
| • Resistente agli oli e lubrificanti | yes                | • Water resistance        | yes   |
| • Ozone resistance                   | yes                | • Resistente all'acqua    | yes   |
| • Residue free removal               | yes                | • Scrivibile              | no    |

## Disclaimer
