

tesa® Insect Stop Adapter Set For FALT Foldable Alu Frame, Telescopic

Product Information

BNR 55419

Product Description

Our adapter set allows the tesa FALT aluminium frame for doors to be fitted without drilling. The screen is fitted with high-quality clamps and does not require drilling or screws. The clamps can be removed without residue and are ideal for rentals.

Product Features

- Fly screen door without drilling: The adapter set allows the tesa FALT aluminium frame for doors to be fitted without drilling
- · Ideal for rentals: The tesa fixing solution is an excellent alternative to drilling and screwing in the hinges
- Compatible: Exclusively for use with the tesa FALT aluminium frame for doors and for window frame thicknesses including seals from 12 mm to 21 mm
- · Clean installation: No scratches on surfaces due to the hard rubber pads made from EPDM.
