

tesapack® STRONG RECYCLED

Product Information

58153, 58154, 58155, 58156

Product Description

The tesapack® STRONG RECYCLED is ideal for securely packaging medium-weight boxes. It offers strong adhesive performance and high resistance to aging. The backing material made from 90% post-consumer recycled plastic (PCR PET) and the core made from recycled cardboard make a contribution to sustainability.

Product Features

- Strong adhesive performance and tear resistance for reliable packaging of medium-weight parcels
- Adhesive which is highly resistant to aging allows long-term storage and reliable sealing of packages
- Even, quiet unrolling for comfortable use
- Sustainable Contribution: Backing Material is made of 90% post-consumer recycled plastic (PCR PET)
- INGEDE-12 certified: tesapack® STRONG RECYCLED does not harm the recycling process of paper and cardboard
- Optimal use with all tesapack® hand dispensers (Classic, Comfort, Economy or Premium)
