

tesa® 52064 Cleaning Roller

Product Information

Handheld roller for cleaning surfaces

Product Description

The tesa® Cleaning Roller is a robust and easy to use tool that can be used to safely remove dust and dirt particles.

Its application possibilities are multiple and vary widely e.g. In the printing industry it can be used to remove dust from printing plates, as well as to pick-up paper shreds.

The already attached tesa® Powerstrips® allow for secure and convenient fixation of the Roller to a preferred location.

Using the jagged edges of two parts, the tape can be easily ripped. Refills for the Cleaning Roller are also available (56516).

Disclaimer

tesa® products prove their impressive quality day in, day out in demanding conditions and are regularly subjected to strict controls. All information and recommendations are provided to the best of our knowledge on the basis of our practical experience. Nevertheless tesa SE can make no warranties, express or implied, including, but not limited to any implied warranty of merchantability or fitness for a particular purpose.
