

# tesa<sup>®</sup> Professional 4939

## Product Information

### Technical Information (average values)

The values in this section should be considered representative or typical only and should not be used for specification purposes.

### Product Construction

- |                    |                  |                   |        |
|--------------------|------------------|-------------------|--------|
| • Backing material | cloth            | • Total thickness | 250 µm |
| • Type of adhesive | synthetic rubber |                   |        |

### Properties/Performance Values

- |                       |         |                       |      |
|-----------------------|---------|-----------------------|------|
| • Elongation at break | 40 %    | • Hand tearability    | low  |
| • Tensile strength    | 50 N/cm | • Humidity resistance | good |
| • Chemical resistance | good    |                       |      |

### Adhesion to Values

- |         |          |
|---------|----------|
| • Steel | 5.5 N/cm |
|---------|----------|
