tesa® Professional 4373 Easy Cover UV Extra Strong

Product Information

2-in-1: Paint masking film with special outdoor cloth tape

Product Description

What makes tesa Easy Cover® Extra Strong so special is its sturdiness, because the sturdy paint masking film and the highly adhesive tesa® 4370 UV fabric tape provide safe protection. The paint masking film and surface protection tape withstand any weather and even the coarsest of dirt. Thus, the time-saving 2-in-1 solution is also suitable for plastering, and all kinds of rendering work, as well as painting, for a time period of maximum 8 weeks. This extremely high-strength paint masking film combines a tough, more sustainable PE film with a UV-resistant, highly adhesive masking tape. This allows you to cover paint edges and the surfaces of windows or furniture in only one working step, saving you both time and money. And thanks to the superior tesa quality, you also avoid touching-up work, which causes further costs. The paint masking film with integrated masking tape combined with your skilled workmanship provides an optimum basis for outstanding painting work which will leave your customers extremely impressed.

Application Fields

- Outdoor masking
- The 2-in-1 solution for masking off and protecting large areas
- For clean, straight paint edges
- For smooth and slightly rough surfaces
- Ideal for covering windows during rendering, plastering and painting work
- For heavy-duty, long-term applications
