

tesa® 4104 coloured

Product Information

Brilliant coloured filmic packaging tape

Product Description

tesa® 4104 is a premium packaging tape based on a polyvinyl chloride (PVC) film backing and a natural rubber adhesive. It performs exceptionally on a variety of different surfaces, including various kinds of cardboards and plastic boxes or bags, always ensuring a safe closure. The PVC backing offers excellent resistance against weathering as well as chemicals and fire. The natural rubber adhesive system is designed for best results in applications on either polar or non-polar surfaces. The large variety of highly visible colours also makes tesa® 4104 ideal for masking or colour-coding. tesa® 4104 is easily printable and is available as a transparent version and in seven different colours: black, white, red, orange, yellow, blue and green.

Application Fields

- Ideal for sealing small boxes, both cardboard and plastic
- Can also be used for safe and easy sealing of tins and plastic bags
- Offers excellent adhesion to various different surfaces
- The large variety of available colours makes tesa® 4104 ideal for marking and colour-coding
- tesa® 4104 in red enables sharp-edge masking for multicolour painting
