

tesa® Ultra Power underwater repair tape

Product Information

BNR 56491, 56481

Product Description

Being an outdoor adventurer, you're safe with a waterproof tape providing strong hold and reliable fixing solutions: tesa® Ultra Power Under Water Repairing Tape is a durable repairing tape with strong adhesion that is ideal for outdoor use, especially on wet surfaces. It is easy to use for a variety of tasks such as patching holes, cracks, gaps, and tears or to seal damages and leaks. Thanks to its high UV and temperature resistance, it's usable even in extreme weather conditions.

Product Features

- Fix damages under water: Ideal for repairs on wet surfaces
- Provides strength and reliability: Extra thick tape with excellent rubberized adhesive assures exceptional adhesive power
- High resistance and durability: Extremely weather- and UV-resistant for outdoor jobs
- Convenient to apply: Conformable to any shape and object
- Dry or wet application: Suitable for patching holes, cracks, gaps, and tears - ideal to use outdoor and even underwater
- Special-purpose tape: Even damages as e.g. drainage can be fixed with this extraordinary tape

Product Construction

- | | | | |
|--------------------|--------------|-------------------|--------|
| • Backing material | Caotchouc | • Total thickness | 660 µm |
| • Type of adhesive | butyl rubber | | |

Properties/Performance Values

- | | | | |
|-----------------------------|---------------------------|-------------------------------|------------------------------------|
| • Tensile strength | 33 N/cm | • Ozone resistance | yes |
| • Abrasion resistance | yes | • Residue free removal | no |
| • Adhesive strength | Very high adhesion | • Solvent free | no |
| • Ageing resistance (UV) | yes | • Suitable surfaces | Most plastics, Glass, Metal, Steel |
| • Applicationfield | Garden, Garage, Car, Home | • Tear resistance | yes |
| • Area of use | In- and Outdoor | • Temperature resistance | yes |
| • Batteries included | no | • Temperature resistance max. | 90 °C |
| • Batteries required | no | • Temperature resistance min. | -55 °C |
| • Ecofriendly packaging | no | • UV-resistant | yes |
| • Hand tearability | no | • Waterproof | yes |
| • Oil and grease resistance | yes | • Writable | no |
