

tesa® Esteetic toilet roll holder with lid, self-adhesive, stainless-steel look

Product Information

BNR 40448

Product Description

Its smoothed square design and stainless-steel look give the tesa® Esteetic toilet roll holder a distinguished style. Drilling is not needed for mounting since an adhesive solution is employed instead. Walls are safe from harm. The holder can be taken down cleanly and remounted elsewhere with a new adapter BK20. Its smoothed square design and stainless-steel look give the tesa® Esteetic toilet roll holder a distinguished style. Drilling is not needed for mounting since an adhesive solution is employed instead. Walls are safe from harm. The holder can be taken down cleanly and remounted elsewhere with a new adapter BK20.

Product Features
