tesapack®

Product Information

BNR 05054, 55337, 57180

Product Description

tesapack® packing paper tape. Sustainable and resistant with backing material paper from certified forests and other controlled sources, as well as an adhesive made of natural rubber. Suitable for parcels weighing up to 20 kg. Reliably seals different types of cardboard boxes.

Product Features

- A sustainable contribution: Made with paper from certified forests and other controlled sources
- Versatile adhesive made from natural rubber: Good adhesion to different types of cardboard
- Applications: Strong adhesion for securely sealing packages weighing up to 20 kg
- Carefree parcel tape: Made without solvents
- Practical: Easily unroll the tape by hand or with the help of a dispenser - can be torn by hand
- Recyclability tested using the INGEDE method 12: Does not impact cardboard processing

Technical Information (average values)

The values in this section should be considered representative or typical only and should not be used for specification purposes.

Product Construction

- Backing material   Paper   • Total thickness   125 µm
- Type of adhesive   natural rubber

Properties/Performance Values

- Elongation at break   8 %   • Ageing resistance (UV)   no
- Adhesive strength   High adhesion   • Hand tearability   yes
