

tesa® Professional 4348 Painters' Tape

Product Information

Flexible masking tape for indoor painting applications

Product Description

tesa® 4348 is a slightly creped, tear-resistant standard masking tape with a natural rubber adhesive mass that is perfectly suited to indoor painting tasks. The supple masking tape can be torn by hand, used for up to 7 days, and is easy to remove after use. Thanks to its excellent adhesive strength, it enables clearly-defined edges during painting work and is a reliable tool for professional painters.
