

tesa® 4600 Xtreme Conditions HD

Product Information

Self-fusing silicone tape for heavy duty applications

Product Features

- · It is a strong self-amalgamating silicone tape which seals with itself without adhesive.
- tesa® 4600 Xtreme Conditons HD creates a water tight, permanent sealing.
- · Its flexible material can be applied smoothly on any kind of surface, including wet or warm, dirty or oily.
- Xtreme Conditions can even be applied under water.
- Due to its silicone backing the tape has an excellent resistance to various chemical substances, oils, acids, solvents, salt water, UV radiation and extrem temperatures.

Application Fields

- · Insulating and protecting wiring and connections
- · Sealing applications in engine compartment
- · Wrap hydraulic fittings and other exposed metal connections to prevent corrosion
- · Masking applications in powder coating, liquid coating, e-coating, anodizing and plating
- Automotive applications for wire harness as well as general repairs
- · Various bundling, securing, wrapping and repairing applications

.... and many others! Do not hesitate to ask tesa for more information!

Properties/Performance Values

•	Elongation at break	450 %	•	Dielectric breakdown voltage	12000 V
•	Tensile strength	45 N/cm	•	Hand tearability	low
•	Abrasion resistance	very good	•	Water resistance	very good
