

tesa®

Product Information

BNR 55298

Product Features

- Appealing design and clever functions: Insect screen curtain with movable slats and innovative plug-in weights – for complete protection on balcony and patio doors
- Stable construction for high-quality protection against insects: Telescopic aluminium retaining bar, fibreglass slats and noise-reducing weights
- Convenient telescopic function instead of inconvenient sawing: Extendable for individual dimensional adjustment for door widths of 0.60 m–0.95 m and for door heights up to 2.20 m
- Self-adhesive premium tape for easy installation: For easy, quick fixation without drilling and tools
- Ideal for rental flats: Leaves no drill holes in the building
- No manual opening and closing: Ideal for families with children as well as pet owners
- Adjustable curtain: The window protection can be extended to the desired width, comes with additional curtains
- Easy installation for everyone: Stick the retaining strip to the desired width – attach the slats, align evenly – attach to the door frame with self-adhesive tape, followed by the weights at the required height * Important: Suitable for roller shutters with at least 2 cm distance to the frame
- Removable without a trace: The premium self-adhesive tape can be removed from aluminium, PVC and sufficiently strong wooden frames without leaving any marks
- Easy to remove whenever desired: The self-adhesive hook and loop tape allows the slatted door to be easily removed at any time
- Environmentally friendly: The packaging is plastic-free and can be recycled with waste paper
- tesa's Fly Screen comes with a 5-year guarantee

Application Fields

- Easy installation for everyone: Stick the retaining strip to the desired width – attach the slats, align evenly – attach to the door frame with self-adhesive tape, followed by the weights at the required height

Properties/Performance Values

• Applicationfield	Home	• Mesh	6.3 threads/cm
• Average installation time	0.3 hour(s)	• Residue free removal	yes
• Installation of products	Via adhesive tape / strips / liquid application	• Reusable	yes
• Material	Aluminium
