

tesa®

## Product Information

BNR 55804

### Product Features

- Innovative insect screen, pleated blind for skylights: Precise, adjustable telescopic profiles made of aluminium
- The insect screen made specially for skylights: Keeps flies and spiders outside
- Mounting without drilling, screws and plugs: Effortless mounting with tesa Powerstrips® (provided the surface is flat)
- Time-saving installation – limited use of tools: Faster installation and less complicated than general solutions for protection against insects
- Gradual length adjustment: Thanks to telescopic side profiles, adjustable between 116 and 164 cm – without any sawing
- Pleated fabric can be shortened using the enclosed cutter: Width can be adjusted between 68 cm and 102 cm
- Telescopic sliding cassette: Adjustable to the desired width
- Suitable for windows positioned on an angled roof
- Stylish look: Side profiles and pleated cassettes are designed in white
- tesa's Fly Screen comes with a 5-year guarantee
- Can only be mounted on a flat ceiling surface
