

tesa® Powerstrips Click

Product Information

BNR 77720, 77722, 77721, 77723

Product Description

Wall decorations add comfort and style to any home. The Powerstrips® CLICK provide the ideal solution for attaching pictures and other wall decorations. The hook and loop elements also offer repetitive use and can be removed without any residue.

Product Features

- Simple decoration: Pictures and flat wall decorations can be attached easily with Powerstrips® CLICK
- Secure hold: Thanks to the mounting strips, objects are fixed to the wall instead of hanging on nails
- Discreet mounting: The Powerstrips® CLICK are fully covered by the decor item or picture frame
- Auditory safety: A clicking sound signals that the hook and loop elements are hooked in correctly
- Can be redecorated: Redesign pictures and decorations without detaching the adhesive strips on the wall
- Removable: The adhesive mount can be removed from the wall in no time without leaving any residue
