

tesa® Extreme Repair Tape – Ultra Strong for Heavy-Duty Fixes

Product Information

BNR 56622, 56623

Product Description

For some tasks, an average repairing tape is simply not strong enough. Do not let small emergencies ruin your big adventures. tesa® Ultra Power Extreme Repairing Tape gives the needed extra strength. It is a versatile tape with extremely strong adhesion that can be used on many surfaces, smooth or rough. It is made for a variety of tasks such as patching holes, cracks, gaps, tears, and fixing broken parts. With its high UV- and temperature-resistance, it is suitable even for extreme weather.

Product Features

- Powerful adhesion: Extremely strong hold for reliable fixing solutions in various challenging environments
- High Versatility: Thanks to its strong adhesive, the tape sticks perfectly even on rough surfaces
- Designed to last: Extra-durable due to its high abrasion resistance
- Extremely weather-resistant, waterproof, and UV-resistant for demanding outdoor tasks
- High-quality tool: The cloth-laminated backing makes this duct tape even stronger
- Easy to use: Highly convenient thanks to simple hand-tearability
- Multi-purpose repairing tape: Can be used both indoors and outdoors
- Convenient solution for fast emergency fixes: Ideal for repairing broken parts, can be used, e.g. to repair small damages on bumpers
- Fix your damage fast and reliably: Suitable for patching holes, cracks, gaps, and tears
