

tesa® Desk Dispenser SMART Recycled with tesafilm® Clear Recycled

Product Information

53905, 53904

Product Description

The tesa® Desk Dispenser SMART Recycled is a lightweight yet sturdy desk dispenser, with a housing made from 100% post-industrial recycled plastic. It features an anti-slip pad for a secure hold and effortless one-handed use. Supplied with clear adhesive tape, suitable for a wide range of everyday applications.

Product Features

- Anti-slip pad ensures secure placement of the tesa® Desk Dispenser SMART Recycled on your desk
- Lightweight design allows flexible working without the need for additional weights
- Supports a more sustainable office routine: the housing is made from 100% post-industrial recycled plastic
- Easy to use: simply peel off the protective film for quick, residue-free positioning and effortless repositioning
- Reactivable grip: the adhesive power of the anti-slip pad can be restored at any time by cleaning it with water
- tesafilm® Clear Recycled: tape backing made from 100% post-industrial recycled plastic – certified by DIN CERTCO (Registration No. 8Y0002), part of the TÜV Rheinland Group
- Crystal-clear quality: transparent tape with strong adhesive performance, almost invisible on many surfaces
- High-performance durability: tear-resistant film that maintains long-lasting adhesive strength
- INGEDE Method 12 certified: tesafilm® Clear Recycled does not interfere with the recycling process of paper and cardboard
