

tesapack® STRONG RECYCLED

Product Information

58153, 58154, 58155, 58156

Product Description

The tesapack® STRONG RECYCLED is ideal for securely sealing medium-weight boxes. It offers strong adhesive performance and excellent ageing resistance. The backing material is made from 100% post-industrial recycled plastic (DIN CERTCO certified, registration number 8Y0001), and the core is made from recycled cardboard, contributing to greater sustainability.

Product Features

- Strong adhesive performance and tear resistance for reliable packaging of medium-weight parcels
- Adhesive with high ageing resistance for long-term storage and secure parcel sealing
- Smooth, quiet unrolling for comfortable use
- Sustainable contribution: Backing made from 100% post-industrial recycled plastic (DIN CERTCO certified, registration number 8Y0001)
- INGEDE#12 certified: tesapack® STRONG RECYCLED does not impair the recycling process of paper and cardboard
- Available unprinted in brown and transparent, as well as printed "100% recycled plastic" in brown and green
- Optimal use with all tesapack® hand dispensers (Classic, Comfort, Economy or Premium)

Product Construction

- | | | | |
|--------------------|---------------------|-------------------|-------|
| • Backing material | BOPP | • Total thickness | 57 µm |
| • Type of adhesive | water-based acrylic | | |

Properties/Performance Values

- | | | | |
|--------------------------|---------------|-----------------------|-----------|
| • Elongation at break | 80 % | • Low noise unwinding | yes |
| • Tensile strength | 40 N/cm | • Solvent free | yes |
| • Adhesive strength | High adhesion | • Suitable surfaces | Cardboard |
| • Ageing resistance (UV) | yes | • Tear resistance | yes |
| • Hand tearability | no | • Unwind force n/cm | 3.7 N/cm |
