

tesapack®

Product Information

56000

Product Description

The tesapack® ULTRA STRONG PAPER is perfect for securely packaging heavy parcels. It offers strong adhesive performance, high tear resistance, and unrolls quietly. Made from 52% renewable materials and such as paper from well-managed, certified forests and other controlled sources, it makes a contribution to sustainability.

Product Features

- Strong adhesive performance for reliable packaging of heavy parcels
- High-quality material with fiberglass filament for high tear resistance
- Even, quiet unrolling for comfortable use
- Made from 52% renewable materials, including paper from well-managed, certified forests and other controlled sources
- Core made from 100% recycled cardboard
- INGEDE-12 certified: tesapack® ULTRA STRONG PAPER does not harm the recycling process of paper and cardboard
- Optimal processing with all tesapack® hand dispensers (Classic, Comfort, Economy or Premium)

Technical Information (average values)

The values in this section should be considered representative or typical only and should not be used for specification purposes.

Product Construction

- | | | | |
|--------------------|------------------------|-------------------|--------|
| • Backing material | Glasfiber filament re- | • Total thickness | 210 µm |
| | inforced paper | | |
| • Type of adhesive | synthetic rubber | | |

Properties/Performance Values

- | | | | |
|--------------------------|--------------------|-----------------------|------------------|
| • Elongation at break | 6 % | • Low noise unwinding | yes |
| • Tensile strength | 125 N/cm | • Solvent free | yes |
| • Adhesive strength | Very high adhesion | • Suitable surfaces | Cardboard, Paper |
| • Ageing resistance (UV) | no | • Tear resistance | yes |
| • Hand tearability | no | • Unwind force n/cm | 1 N/cm |
