

tesa® INSECT STOP Aluminium Fly Screen Replacement Roll

Product Information

55141, 55140

Product Description

tesa® Insect Stop aluminium fly screen mesh replacement roll keeps flies and other insects out. Hard-wearing, tear-resistant and UV-resistant. Easily cut to size for windows and doors; perfect for replacing worn fly screens.

Product Features

- Provides reliable, long-lasting protection from mosquitoes, midges, gnats, flies and other biting insects
- Tough, tear-resistant insect mesh that keeps out even the tiniest insects
- Near-invisible mesh for a clear, unobstructed view outside
- Cut to size for windows or doors – ideal for updating or replacing existing fly screens or insect mesh
- Excellent UV resistance to retain shape and strength, even in strong sunshine
- Easy to fit for quick replacement of damaged mesh without removing the frames
