

tesa® INSECT STOP Hook & Loop Fly Screen Open/Close Premium

Product Information

55033

Product Description

tesa® INSECT STOP Hook-and-Loop Fly Screen Open/Close Premium: a reliable window fly screen that keeps insects out while letting fresh air in. No drilling needed; quick to fit and simple to open and close. UV resistant, washable and reusable.

Product Features

- Reliable window fly screen to keep flies, mosquitoes and midges out: tesa® INSECT STOP Hook & Loop Fly Screen Open/Close Premium
- Easy, fuss-free fitting — no drilling, screws or tools needed thanks to self-adhesive hook-and-loop fixing
- Open your window fully whenever you like — perfect for watering houseplants or airing rooms
- Ideal for tenants and rented homes: removes cleanly without marks and is reusable
- Hard-wearing, UV-resistant insect mesh; machine-washable at 30°C for long-lasting use
- Everything included: hook-and-loop tape, trimming tool and a handy applicator/smoothing tool
