

tesa® INSECT STOP Pleated Aluminium Fly Screen Premium Roof Windows

Product Information

55804

Product Description

tesa® INSECT STOP Fly Screen for Roof Windows Premium fits roof windows and rooflights. The telescopic aluminium frame adjusts easily with no cutting required. High-performance tesa Powerstrips® give a secure, no-drill installation that speeds up fitting and requires no tools.

Product Features

- Innovative pleated fly screen for roof windows and rooflights: precise, adjustable aluminium telescopic profiles
- Purpose-made for roof windows: keeps flies, spiders and other insects out of your home
- No drilling, screws or wall plugs required: simple, no-drill fitting using tesa Powerstrips® on sound, solid surfaces
- Quick to fit with minimal tools: faster and simpler than standard fly screens
- Adjustable length: telescopic side profiles extend from 116 to 164 cm – no cutting to length required
- Width adjusts from 68 to 102 cm; pleated mesh trims easily with the supplied cutter
- Telescopic sliding cassette: adjust to your preferred width
- Ideal for roof windows in pitched roofs
- White side profiles and pleated cassettes for a smart finish
- tesa fly screen comes with a 5-year guarantee
- Install on a flat, even surface only
