

tesa® INSECT STOP Premium 2-in-1 Pleated Blackout Blind and Fly Screen

Product Information

55805

Product Description

Why choose between a fly screen and a blackout blind when you can have both? The tesa® INSECT STOP 2-in-1 Premium pleated blind for roof and loft windows blocks light and keeps insects out. Its adjustable frame suits most roof window sizes, and it's quick and easy to fit.

Product Features

- 2-in-1 fly screen and blackout blind: Separate pleated blinds for insect protection or full blackout – use individually or together
- Sleep better: Pleated roof window (skylight) blackout blind with fly screen keeps bedrooms comfortably dark and insect-free
- Convenient: When combined, the adjustable pleated blinds clip together so you can raise and lower them as one
- Extra thermal insulation with honeycomb (cellular) fabric: Keeps heat out in summer and reduces heat loss in winter
- Telescopic rails – no need to cut the frame; simply trim the blind to size with the supplied template if required
- No-drill fitting: 8-point fixing with tesa® Powerstrips holds firmly and peels off cleanly, leaving no residue
- Clear view: The pleated fly screen uses see-through mesh so you can still see out when it's down
- 5-year guarantee: Premium aluminium rails and hard-wearing polyester fabric for long-lasting performance
- In the box: Fly screen and pleated blackout blind, telescopic frame, 9 tesa® Powerstrips, craft knife, fixing kit and instructions
