tesa®

Product Information

57040

Product Description

tesa® INSTANT GLUE Liquid: for repairs on a wide range of materials - fast, strong, with a short repositioning time. Ideal for smooth surfaces. Water-, cold- and heat-resistant.

Product Features

- tesa® INSTANT GLUE Liquid: fast, strong, reliable repairs; brief repositioning time
- For most smooth, solid materials: metal, ceramic, rubber, hard plastics, leather, wood, stone
- Ideal for home and DIY: instantly repairs small breaks on mugs, toys, appliances, and decor
- Handy tube applicator: precise application for fine cracks and narrow joints - clean results
- High cold, heat and water resistance
- Sustainable thinking: repair instead of buying new
