

# tesa® Professional 4369 UV

## Product Information

Masking film with special outdoor cloth tape

tesa® 4369 is a 2-in-1 solution for safely covering and protecting large surfaces during painting work indoors and outdoors – ready to go in just one, time efficient step! This innovative product is a combination of environmentally-friendly, translucent PE film and a duct tape with a natural rubber adhesive mass. tesa® 4369 also provides strong adhesion on slightly rough surfaces and enables clean, straight edges during painting work. The duct tape is simple to use and can be easily removed up to two weeks after application.

## Features

- Indoor and outdoor applications
- Masking and protecting of large areas
- For clean, straight paint edges
- For smooth and slightly rough surfaces
- Ideal for covering windows during plastering and painting work
