

tesa® 60408

Bio-based paper packaging tape

Product Information

Product Description

tesa® 60408 is a paper-based packaging tape featuring a premium paper backing and a well-performing waterborne natural rubber adhesive. The paper backing of tesa® 60408 is made with paper from well-managed forests and other controlled sources. This premium paper backing is tear-resistant with a high tensile strength. Thanks to the silicone-free release coat, a very good printability with all types of ink systems is secured (externally tested). The well-performing natural rubber adhesive system provides strong adhesion and a good initial tack on a wide variety of carton qualities. tesa® 60408 is the perfect solution for light- and medium-weight packaging applications (max. 20 kg) where a premium performance is required.

Sustainable Aspects

Application Fields

- Ideal for the sealing of cardboard boxes up to 20 kg
- Suitable for manual and automatic applications
- Printable with all types of ink systems

Technical Information (average values)

The values in this section should be considered representative or typical only and should not be used for specification purposes.

Product Construction

- | | | | |
|--------------------|----------------|---|--------|
| • Backing | Paper | • Bio-based carbon content of liner (acc. ASTM D6866) | 89 % |
| • Type of adhesive | natural rubber | • Total thickness | 125 µm |

Product Assortment

- | | |
|--------------------|-------|
| • Available colors | brown |
|--------------------|-------|

Properties/Performance Values

- | | | | |
|-------------------------|---------|-----------------------|-------------|
| • Elongation at break | 8 % | • Low noise unwinding | yes |
| • Tensile strength | 60 N/cm | • Packaging Weight | Up to 20 kg |
| • Automatic application | yes | • Printability | very good |
| • Hand tearability | yes | • Solvent free | yes |
| • Humidity resistance | medium | | |
