

tesa® 4262

Product Information

General purpose polypropylene carton sealing tape

Product Description

tesa® 4262A is a general purpose polypropylene carton sealing tape. Suitable for use on recycled board and under shrink wrap. The well balanced tack and high shear resistance of the adhesive secures a good sealing immediately after application.

Application Fields

Packaging, bundling and closing

Carton sealing for light to medium cartons

It can be used on all common hand dispensers and machines

Colors available are transparent and brown
