

tesa[®] 4215

Product Information

PVC-free fineline tape for design painting

Product Description

tesa[®] 4215 is a high quality PVC-free fineline tape with a rubber adhesive. It is designed for applications where sharp colour edges for two-tone designs are required.

- very flexible for narrow curves and difficult 3D-dimensions
- no edge lifting off and removable without leaving any residues
- easy unwinding, also suitable for overmasking
- translucent
- non-halogen

Application Fields

Masking & Design, for a wide range of fineline applications

Technical Information (average values)
