tesa® 62010

Product Information

Card Labels

tesa® 62010 is a double-sided adhesive label for the automatic or manual fixing of cards to paper.
The open side of the label is made of a reversible adhesive which is optimised for the temporary attachment to all card materials. The reverse side of the label, which lies on the release liner, consists of a permanent adhesive that enables a secure and reliable fixing to paper.
After the mailing process the card can be removed easily without leaving behind any residues or stains. Therefore tesa® 62010 is an optimised solution for the mailing of all card types.

Features:

- Easily removable without leaving residues or damaging the card
- High adhesive reliability to all card surfaces and materials
- High processing reliability
- UV pigments enable the sensory label detection
- Up to 10,000 labels/hr can be applied automatically

Main Application

Mailing of cards
