

## Product Information

50µm/2 mils double sided gray electrically conductive non-woven tape

tesa® 60382 is a gray double sided electrically conductive self-adhesive tape. It consists of an electrically conductive non-woven backing and an electrically conductive acrylic adhesive.

tesa® 60382 features especially:

- High bonding performance with very high peel adhesion level
- Excellent anti-repulsion performance
- Good electrical conductivity in XYZ-direction even at high temperatures and humidity
- Good conformability and adjustment on uneven surface

### Main Application

- EMC applications
- FPC grounding
- Antenna grounding
- Electrostatic discharge applications

### Technical Information (average values)

The values in this section should be considered representative or typical only and should not be used for specification purposes.

#### Technical Data

• Backing material	conductive non-woven	• Thickness of liner	23 µm 0.9 mils
• Color	gray	• Release of liner	easy
• Total thickness	50 µm 2 mils	• Temperature resistance short term	200 °C 392 °F
• Type of adhesive	conductive acrylic	• Contact resistance z-direction (initial)	0.06 Ohm / square inch
• Type of liner	PET	• Surface resistance x-y-direction	0.3 Ohm / square
• Color of liner	transparent		

#### Adhesion to

• Steel (initial)	8.0 N/cm 73.1 oz/in	• Steel (after 14 days)	10.0 N/cm 91.4 oz/in
-------------------	------------------------	-------------------------	-------------------------

#### Properties

- |                                   |      |                                   |      |
|-----------------------------------|------|-----------------------------------|------|
| • Static shear resistance at 23°C | ●●●● | • Static shear resistance at 40°C | ●●●● |
|-----------------------------------|------|-----------------------------------|------|

Evaluation across relevant tesa® assortment: ●●●● very good ●●● good ●● medium ● low

#### Additional Information

- 50µm/2 mil tight release liner (outside of the roll)
- 23µm/1 mil easy release liner

# tesa® 60382

## Product Information
