

tesa® 4304

Product Information

High performance paper masking tape up to 163°C/325°F

Product Description

tesa® 4304 is a brown coloured smooth crepe paper masking tape for high demanding paint masking applications.

The natural rubber adhesive system makes tesa 4304 suitable for a broad temperature range from 15°C up to 163°C/325°F.

Benefits:

- Excellent handling (low unwinding forces & finger friendly)
- Recommended for multiple drying cycles
- Covering broad range of drying temperatures and residue free removal – from 15°C to 163°C/325°F
- Excellent adherence of solvent/water-borne paints/fillers on backside
- Secure bonding of large area masks without lifting-off

Sustainable Aspects
