

# tesa® 4287

## Product Information

Tensilised strapping tape

### Product Description

tesa® 4287 is a tensilised polypropylene strapping tape with a natural rubber adhesive system.

tesa® 4287 exhibits good tensile strength with low elongation at the same time. The applied product is highly heat and cold resistant.

### Application Fields

Palletising, belting of electronic components, bundling and closure of shipping cartons.

### Technical Information (average values)

The values in this section should be considered representative or typical only and should not be used for specification purposes.

### Product Construction

• Backing material	MOPP	• Total thickness	80 µm
• Type of adhesive	synthetic rubber	• Colour	orange

### Product Assortment

• Available colors	transparent, orange
--------------------	---------------------

### Properties/Performance Values

• Elongation at break	35 %	• No discolouration	yes
• Tensile strength	190 N/cm		

### Adhesion to Values

• steel	6 N/cm
