

# Sugru by tesa®

## Product Information

41286, 41234, 41237, 41235, 41236, 41231, 41284, 41285, 41281, 41282, 41287, 41233, 41283

## Technical Information (average values)

The values in this section should be considered representative or typical only and should not be used for specification purposes.

## Product Construction

- Type of adhesive: silicone based
- Silicone free: no

## Properties/Performance Values

- |                             |               |   |   |
|-----------------------------|---------------|---|---|
| • Abrasion resistance       | yes           | • Reusable                                | no  |
| • Adhesive strength         | High adhesion | • Solvent free                            | yes   |
| • Compostable               | no            | • Suitable for children of 3 years of age | yes   |
| • Humidity resistance       | yes           | • Suitable surfaces                       | Most plastics, Glass, Cardboard, Carpets, Metal, Marble, Steel, Stone, Even wood, Tiles, Wooden floors, Brick, Acrylic glass, Paper, Fabrics, Concrete, Wallpaper |
| • Material                  | Silicone      |   |   |
| • Mouldable                 | yes           |   |   |
| • Oil and grease resistance | no            |   |   |
| • Ozone resistance          | yes           |   |   |
| • Residue free removal      | yes           |   |   |
|                             |               | • Temperature resistance                  | yes   |
|                             |               | • UV-resistant                            | yes   |
|                             |               | • Washable                                | yes   |
|                             |               | • Waterproof                              | yes   |
