

tesa® Insect Stop ALU Comfort For Windows

Product Information

BNR 55196, 55195, 55194

Product Description

tesa[®] Insect Stop ALU Frames COMFORT for Windows is a patented mosquito repellent door frame with insect screen. It offers easy installation with most windows.

Product Features

- Easy assembly thanks to patented easy-fit corner connectors
- No drilling necessary
- New clear view fabric for greatly improved transparency and optimised ventilation (compared with conventional fibreglass fabric)
- Can be trimmed to any format
- Insertable clamping springs for all popular window frames included
- High-quality design
- Also suitable for most exterior roller shutters (15mm space necessary between window frame and shutters)
- Mounting only possible if all 4 sides are completely flush with window frame (not possible with rain deflectors/weather guards)
