

tesa® Insect Stop ALU Comfort For Doors

Product Information

BNR 55197, 55192

Product Description

The mosquito repellent tesa® Insect Stop ALU Frames COMFORT for Doors is a self-closing and torsion-resistant frame system with integrated insect netting.

Product Features

- Easy assembly thanks to patented easy-fit corner connectors
- Extremely torsion-resistant due to aluminium corner connectors
- New clear view fabric for greatly improved transparency and optimised ventilation (compared with conventional fibreglass fabric)
- · Adjustable self-closing mechanism integrated in the hinges
- Can be trimmed to any format
- · High-quality design
- · Also suitable for most exterior roller shutters (16mm space necessary between door frame and shutters)
