

tesa® Ultra Power Under Water repair tape

Product Information

BNR 56481, 56491

Product Description

The tesa® Ultra Power Under Water adhesive tape offers a reliable hold and protection in various conditions, such as moisture and heat. This makes it ideal for outdoor repairs, on wet surfaces, or underwater.

Product Features

*

- For fast and easy fixes in wet environments: Great choice for leaks and damages even under water
- Robust and durable: The extra-thick repair tape provides exceptionally strong adhesive strength
- Climate-proof resilience: Waterproofness, UV and temperature resistance ensure effective repairs, at all times
- Resistance and flexibility: The abrasion-resistant repair tape adapts to various shapes and objects
- Versatile: Ideal for sealing wet or dry holes, cracks, or leaks, both indoors and outdoors
- Available in black and in transparent, for almost invisible repairs.
