

tesa® 4549

Product Information

Easy unwinding uncoated cloth tape

Product Description

tesa® 4549 is a highly tear-resistant uncoated cloth tape. It is based on a 145 mesh rayon fabric backing and natural rubber adhesive.

tesa® 4549 is a very flexible and conformable tape, which is used on glass, as well as leather & textile industry.

Sustainable Aspects

• 69% bio-based carbon content (DIN EN 16640)

Product Features

- · very conformable tape which adapts to uneven and shaped surfaces without creasing
- · low unwinding forces, enhancing automatic dispensing
- good adhesion, even on rough and structured surfaces

Application Fields

- Edge protection of glass panels during production, transport & storage
- · Used in leather and textile production, e.g. as sewing aid
- · Reinforcement during production of protective wear
