

tesa® 60040 Industry Cleaner

Product Information

Multi-functional cleaning spray to thoroughly clean machines, tools and surfaces

Product Description

Our cleaning spray tesa® 60040 is suited for quick and thorough cleaning of machine and plastic parts as well as tools and surfaces. It also reaches difficult to access areas and even dissolves tough stains such as wax, oil, grease, rubber abrasion and silicon residue. Furthermore, surfaces that have been cleaned with the spray are optimally prepared for the application of adhesive tapes and spray glues. The cleaning spray evaporates without residue, leaves behind a pleasant scent and is the perfect choice for all craftsmen keen on keeping their workshop clean and their tools spick and span.
