

## Adhesive remover spray for the easy removal of glue residues

Removing glue, labels or price tags really can be a hassle and removing the residues of bonding agents sometimes is anything but a trivial job. With the tesa Glue Remover spray you can easily remove residues of most adhesive tapes, glues and labels. This glue remover will even remove super glue. The silicone-free spray works with most surfaces, such as plastics, glass or metal. Simply spray it on the surface, wait for 5 minutes and wipe off any glue residues with a piece of cloth.

- Reliably removes residues of most adhesive tapes, glues and labels
- Evaporates without leaving residues
- Spray reaches even concealed and hard to reach places
- Free from silicone

The values in this section should be considered representative or typical only and should not be used for specification purposes.
