

tesa® Professional 4431

Product Information

Blue masking tape for outdoor paint jobs

Product Description

tesa® 4431 is a low-creped paper tape with an acrylic adhesive. The right choice for all kinds of outdoor paint tasks, be it the garage door or freshening up your balcony railing. You can use any paint with it. The blue masking tape also resists UV radiation for up to one week, allowing you to complete even more difficult paint work. Easy to apply, it comes in several sizes: 50mx50mm, 50mx38mm, 50mx30mm & 50mx25mm. With the blue painters tape, you always get straight and clean edges – the perfect foundation for a great look.

Sustainable Aspects

tesa® 4431 is made with paper from well-managed FSC®-certified forests, recycled materials, and other controlled sources and it meets the FSC® Standards.

The communication of the FSC® certification is strictly limited to sales organizations that are FSC® certified (FSC® C148769).
