

tesa® telescopic Side Pull Out for the Kitchen

Product Information

BNR 70061

Product Description

The tesa® Pull Out system makes it easy to add a pull-out to kitchen cabinets. As a result, more storage space is created and kitchen accessories are kept neatly arranged for more order in the kitchen.

Product Features

- More order: The side pull-out ensures that kitchen cabinets are clearer and tidier
- Adjustable: The side pull-out easily extends the kitchen cupboard in no time
- Easy fastening: Can be attached without drilling or extra tools - quick installation
- Removable without a trace: No residue or damage is left behind thanks to the innovative Powerstrips®
- Reusable: The cabinet shelf pull-out can be reattached with the Powerstrips® refill pack
- Versatile: This pull-out fits in cabinets made of the most common materials such as veneer, etc.
- Sturdy: Items weighing up to 10 kg can be stored in the utensil organizer
- Scope of delivery: Side pull-out, 12 Powerstrips®, allen key, 2 screws, press-on tool
