

tesa® Professional 4453

Precision Mask Medium Sensitive

Product Information

High grade paper masking tape for precise paint edges on moderately sensitive surfaces

Product Description

tesa® 4453 Precision Mask Medium Sensitive offers professional painters and decorators a cost-effective solution for masking moderately sensitive surfaces. With its balanced adhesive strength, it provides secure adhesion without compromising surface integrity on most delicate substrates. The tape's adaptable, high grade paper backing ensures sharp paint lines and easy removal. Its purple colour stands out on the job site, and it is suitable for indoor masking up to two months and outdoor applications up to three weeks. Additionally, it is made from paper sourced from responsibly managed forests, promoting sustainability in its production.

Sustainable Aspects

tesa® 4453 Precision Mask Medium Sensitive is made with paper from well-managed, certified forests and other controlled sources

Product Features

- Indoor masking (up to 2 months)
- Outdoor masking (up to 3 weeks)
- Suitable for moderately sensitive and delicate surfaces
