

tesa® Professional 4694PRO Facade Masking Cloth Tape

Product Information

Facade Masking Cloth Tape

Product Description

The tesa® Professional 4694 Facade Masking Cloth Tape is an efficient choice for masking surfaces during rendering and construction works. Its strong synthetic rubber adhesive ensures secure adhesion on various surfaces, including rough construction materials and keeps the tape in place even in tough weather conditions.

Easy to tear by hand, the tape allows quick application and offers UV protection for up to one week, with clean, residue-free removal. Suitable for temperatures from +5 °C to +70 °C, it performs reliably in different environments, including direct sunlight.

Beyond masking, its durable cloth backing and adhesive make it ideal for bundling and securing items on site, supporting efficient and high-quality work.

Product Features

- Secure adhesion on many different and even rough surfaces
- Weather-resistant tape
- Easy to tear by hand
- High tack delivering instant grip to the surface
- Residue-free removal up to 1 week after application
- Protection against dirt and damage through manufacturing tools and materials

Application Fields

- Protection of window and door frames during rendering

*Masking of skirtings, balconies and roof overhangs

*Fixating items or bundling them
