

tesa® GLUE ROLLER Non-Permanent

Product Information

59200

Product Description

The tesa® GLUE ROLLER Non-Permanent is perfect for gluing paper, cardboard, and photos. Its adhesive is non-permanent, making it easy to stick items and remove them again. The roller is refillable and the housing is made from 100% post-industrial recycled plastic.

Product Features

- Temporary adhesion with the tesa® GLUE ROLLER NON-PERMANENT - Your reliable companion at the office, school, or at home
- Versatile use: Easily stick paper, cardboard, cards and photos or quickly create your own sticky notes
- Clean and precise: Optimal application of adhesive thanks to roller system
- Easy handling due to ergonomic shape and smooth glide over material
- Contribution to sustainability: Roller housing made from 100% post-industrial recycled plastic from production leftovers, refill cartridges at 61%
- Transparent casing for monitoring tape supply and adjustable tape tension
- Compatible with all refill cartridges of the tesa® ROLLER series for versatile applications
