

tesa® Professional 4100

Product Information

General purpose box sealing tape

tesa® 4100 is a box sealing tape with a substrate of embossed PVC film and a natural-rubber adhesive mass. This combination allows the tape to be unrolled silently and evenly, meaning that medium-weight boxes can be sealed securely. The packing tape is available in three colours and can be handled quickly and easily by all tesa® manual dispensers.

Main Application

- Packaging and closing
- Sealing of medium-weight shipping boxes
